

Neighborhood Solar Champions

Seeking Solar Champions!

Would you like to become a Solar Champion in your SF neighborhood? The [San Francisco Department of the Environment](#) and [PG&E](#) are offering free solar training for SF citizens interested in helping spread the word about solar in their neighborhoods.

What: **Neighborhood Solar Champions Training Course**

When: **Check back in 2010 for future class offerings.** Classes are held several times per year on select Saturdays from 9:30-4:00. This includes the 10:00-12:00 Solar Power Basics for Residential Customers class.

Where: **PG&E's Pacific Energy Center, 851 Howard Street
San Francisco, CA 94103**

Cost: **Free! Plus, lunch is provided for participating SF residents**

Requirements:

- Interest in promoting solar energy in your SF neighborhood
- Commit to giving at least two presentations in your neighborhood a year
- Comfortable with public speaking
- Ability to participate in one full day of training
- No prior solar technical experience necessary (though helpful)

For more information, please contact:
